14 Charming Patterned Pillow Shams to Spec Now

These printed linens will shake up your client's bedroom

By Madeline O'Malley
December 8, 2020

As we embrace a new era of maximalism, punchy prints are popping up on walls, floors, and upholstery alike. Also joining the party? Bedding. Patterned bedsheets have come a long way, and swapping solids for a playful print is a low-maintenance way to upgrade your client's bedroom. Even just replacing plain shams can add the perfect pinch of bliss. Below, find 14 charming printed bedding styles ready to make an impact.
