These Are the Year's Top Decor Trends (According to Pinterest)

By GRACE BEULEY HUNT | MAY 10, 2018

A timeless home is great and all—but it's bound to get snoozy without a few contemporary updates thrown into the mix. To that end, here's what's super hot on the decor front (according to Pinterest's latest [home report](#)). Spoiler: Color, pattern and whimsy.

BLOCK PRINTS

Echoing the shift toward color and pattern over neutrals, the ancient Indian textile art of block printing is looking chicer than ever. Dress your entire bed...or just add some fresh throw pillows to your sofa setup.
