FRINGE BENEFITS
We have two words for you: fringed tassels! Two more: machine washable. These napkins might just make an appearance on a weekday. *Chunky Fringe Napkins, \$89 for 4; frontgate.com*

SIPPING PRETTY
A mismatched set of glasses prevents accidental swaps among guests. Dibs on pink! 6 oz. *Drinking Glasses, \$60 for 4; burkedecor.com*

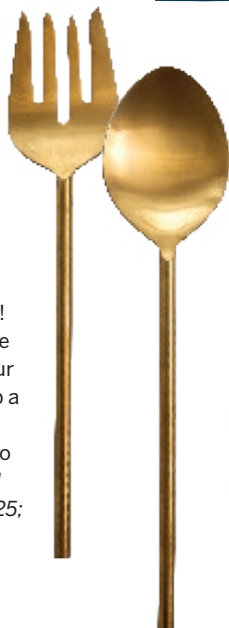

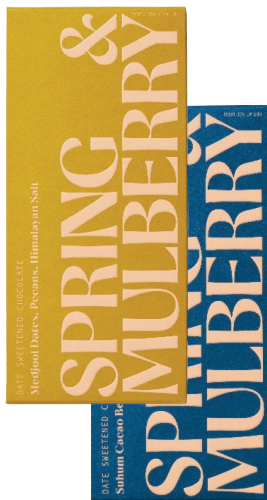

WAX POETIC

Group these tapers—available in warm colors, like moss and mauve—along your table and turn down the lights. (Light the candles first, obviously.) *Fancy Candles, from \$29; thefloralsociety.com*

BASE LAYER
Everyday dinnerware will feel extra special on this woven place mat. Thanks, two-tiered scalloped trim! *Isadora Placemat, \$38; juliska.com*

SWEET TREATS
For brownie points, give guests one of these date-sweetened chocolate bars for the road. Or if you're feeling prep fatigue, crumble them on a plate and call it dessert. *Chocolate Bars, \$15 each; springandmulberry.com*

AT YOUR SERVICE

Details, details! These gold-tone servers take your hosting game up a notch and add romantic glint to the table. *Gold Salad Servers, \$25; kirkland.com*

GOOD POUR
Chic up your tablescapes by serving coffee creamer in this stoneware pitcher instead of—gasp!—the jug it came in. We're kidding, but the pitcher is really cool. *Atwell Pitcher, \$22; jaysonhome.com*

UNDER COVER
This hand-stitched cloth works as a table linen or lightweight quilt. We'd also like to see a dress version. *Chevron Hand-stitched Quilted Table Cloth, from \$160; marigoldliving.com*

SIGN OF THE TIMES
This multitasking metal object switches instantly from minimalist photo stand to place-card or buffet-sign holder. *Brass Geo Stand, \$32; yielddesign.co*
